

SPONSORSHIP PACKAGE

Saturday 15th November

2025

The Goldfields Sanddrags Event is a fun filled day in the Goldfields, where families can watch their friends drag race down the track and have fun out in the Goldfields. This event would not be possible without the help and support from the community and businesses like yourself.. Thank You for your time & consideration.

We are writing on behalf of Goldfields Sand Drags Association. We are an active organisation who has introduced the sport of Sand Drags to Kalgoorlie and surrounding areas. We have had twelve successful years previously and are looking at making 2025 the best yet and add the success to the group's accomplishments. We have a large range of racers coming from far and wide to compete in this event, ranging from your senior adrenalin junkies to the young at heart wanting to have some fun.

Significant money and effort have gone into the Sanddrag Facilities over the years, that has seen a permanent toilet block established as well as fixed light towers on the drag strip, running water through the pit area and shade. We are also wanting to erect more permanent shelters for spectators/competitors and completely fence off the facilities. Money has also been invested in the track by way of prep and safety bollards also installation of a track marshal tower, as well as a Drag light tree and timing systems. Attendees will also notice upgrades to the burnout pad area.

Nationally the drag strip is recognised as the best, fastest and safest track to compete on and many racers set personal best times and speeds. Competitors travel from Perth, Victoria, New South Wales and South Australia to race here in the Goldfields.

Kalgoorlie was also the first to host a side-by-side race between two nitro fuelled Harley Davidsons in 2016, reaching speeds upwards of 140mph over 1/8th run.

This event has and will continue to be a family fun filled day in the Goldfields where families can come and watch their friends race down the track and have fun in the sun, which would not be available without the support and help from the community and local businesses.

I am writing to you now, as we need funds or services, to make this year's event a remarkable success and something that the Goldfields can be proud to host in the future. We are positive that you will be able to help us out.

When you sponsor us, you will also be advertising your company. We will have banners up around the arena which spectators can view; you will have your business information in the sponsors bags, which will be handed out to all the sponsors. There are photos put up on our web page and Facebook page with footage on USB's. Some of these USB's/DVD's even make it overseas to likeminded people wanting to see what the Goldfields can offer and watch the sport they love. As a VIP sponsor, you get the privilege of access to the VIP tent which has an overview of the whole complex, you can view the racetrack, the burnout pad, and the pits where, let's face it, you get a chance to see the bikes and cars up close, as well as talk and mingle with the riders or drivers, under a marquee with food and drinks.

We have a Facebook and Instagram page as well as a web site that are both ran by volunteers.

Attached is a sponsor form for you to fill out and return with your sponsorship. All aspects of the sponsorship are laid out on the following forms for you. However, if you have any queries, please do not hesitate to contact us at info@sanddrags.com.au or on 0476962266, we will endeavour to answer your questions.

Thank you for considering us,

We look forward to your continued support throughout the year and seeing you on race day.

Respectfully,

Goldfields Sand Drag Association

2025
